

Dear TSCS Families,

As a reminder, The Soulsville Charter School currently follows Memphis-Shelby County Schools' decisions on inclement weather, and **all Memphis-Shelby County Schools will be closed tomorrow, Friday, January 19, 2024**. All after-school TSCS activities are canceled as well.

INCLEMENT WEATHER POLICY (from TSCS Student-Parent Handbook)

During the School Week:

The Soulsville Charter School will be closed (Monday-Friday) when Memphis-Shelby County Schools closes. We will not make a separate announcement for The Soulsville Charter School for Monday-Friday. Announcements regarding Memphis-Shelby County Schools' closings can be found on all of the major television networks. Parents, please be sure to view the announcements closely. If Memphis-Shelby County Schools are in session, then we will be in session.

If there is a need for early dismissal, an announcement will be made on all major television networks, TeacherEase, and School Messenger. Students will also be allowed to make parent/guardian phone calls to inform you of the dismissal time.

(Please note: Some television stations post announcements more quickly than others. Please watch all of the major stations. We are not able to control how quickly a television station posts an announcement.)
