MISSION: The Soulsville Charter School (TSCS) will prepare students for success in college and life in an academically rigorous, music-rich environment.

OUR SCHOOL: The Soulsville Charter School (TSCS) is a public, tuition-free charter school. Founded in 2005 with 60 6th graders, TSCS has grown to a full 6th to 12th grade middle and high school serving 656 students in the 2017-18 school year.

The class of 2012 was our first graduating class. Our school works in an exciting partnership with the Stax Museum of American Soul Music and the Stax Music Academy in the inner-city Memphis neighborhood of Soulsville, USA.

In order to achieve the highest level of academic rigor for our students, we have an extended school year and school day, with students in school from 7:45 a.m.-3:00 p.m., with 3:00-3:45 p.m. used for assigned, mandatory tutoring and clubs.

ACCREDITATION: The Soulsville Charter School is fully accredited by the Southern Association of Colleges and Schools and is authorized by Shelby County Schools through the Tennessee Department of Education.

Total Enrollment: **656**
High School Enrollment: **350**
Class of 2017: **76**

98% African-American
1% White
1% Latino
76% of the student body is Economically Disadvantaged (Shelby County Schools has system-wide free lunch this year, so we do not have free/red lunch numbers).

CORE VALUES: Our core values are **Community, Respect, Integrity, Scholarship** and **Empathy**. We believe that “As a Community, we RISE” (**R**espect, **I**ntegrity, **S**cholarship and **E**mpathy).

Nickname: The Revolution—We are a **REVOLUTION**—a force rising up against ordinary expectations and the status quo of public education.

UNIQUE FEATURES

SUMMER GROWTH EXPERIENCES (SGEs): Every rising 10th, 11th, and 12th grader is required to complete an SGE. In order to achieve our mission of success in college and life, our students must experience settings outside of our school. The ability to adapt to other settings, expectations and structures is a valuable soft skill that we want each student to have before graduating.

SGEs have included: Alzar School (Cascade, IL), Camp Hope (Memphis, TN), Carleton Liberal Arts Experience (Northfield, MN), Coca-Cola Leadership Symposium at Morehouse College (Atlanta, GA), Diversity Memphis Freeland (Memphis, TN), Georgetown University Summer College Immersion Program (Washington, DC), Harding University Honors Symposium (Searcy, AR), LEDA (Princeton, NJ), Math and Science for Minority Students (MS)² at Phillips Academy (Andover, MA), Memphis Bar Association Summer Law Intern Program (Memphis, TN), MPloy (Memphis, TN), National Summer Transportation Institute (Nashville, TN), Rensselaer Polytechnic Institute PREFACE Program (Troy, NY), Rhodes College Writing Institute (Memphis, TN), St. Alban's School of Public Service (Washington, DC), Sewanee Young Writers' Conference (Sewanee, TN), Tennessee Governor's School for International Studies (Memphis, TN), Tennessee Governor's School for Scientific Exploration of Tennessee Heritage (Johnson City, TN), Tennessee Governor's School for the Arts-Filmmaking (Murfreesboro, TN), University of Tennessee-Knoxville High School Introduction to Engineering Systems (Knoxville, TN), University of Alabama Student Introduction to Engineering (Tuscaloosa, AL), University of Memphis STEM Academy (Memphis, TN).

SOULSVILLE MUSIC EDUCATION: All students participate in either the String Orchestra, Jazz Band, Choir or a general music education curriculum focusing on theory and history. Many students choose to participate in all three avenues of Soulsville's music education offerings. Our music offerings are based on proof that musical education greatly enhances general education. TSCS' partnership with the Memphis Symphony Orchestra has afforded students special opportunities, including receiving small group instruction, playing alongside the professionals on stage, performing for former First Lady Barbara Bush and attending rehearsals and concerts with world-renowned musicians, most recently, Yo-Yo Ma.
