Medical Information

It is the responsibility of the Parent or Guardian to provide the school with specific emergency procedures. The history is required primarily to determine what adjustments, if any, should be made in the schedule of activities to meet the individual needs of participants, and that the applicant may safely participate in those activities.

USE ADDITIONAL SHEET IF NECESSARY

Please comment in detail in the space below on any medical condition checked in Personal History.

List any medications applicant is receiving regularly (medications that are required by applicant should accompany him/her at School)

List any other health or personal concerns that Soulsville Charter School should be aware of regarding the applicant.

Does applicant have any health problem that requires periodic evaluation or testing?

- Yes – give details No

List drugs or food which applicant is allergic to:

NOTICE: If your child requires medication/or medical procedures at school, an authorization form must be completed by your physician and signed by you before medication can be self-administered.

All medication must be in its original labeled container and marked with the student's name. All medication, even over the counter, must be kept in the office with the exception of asthma inhalers and epi pens. An authorization form must be completed for the asthma inhalers and epi pens as well.

Residency Requirement

According to Tennessee law, a student may enroll at a charter school if he/she resides within the jurisdiction of Shelby County Schools. (You will need to provide two (2) approved proofs of residence. Additional information is required if you share a residence.)
